

IMPORTANT STUDIO UPDATE

Hello Ajna Yoga Community,

It is with heavy hearts that we share this news with you. Over the past 14 years, Ajna Yoga studio has been so much more than just a studio. It has been a home, a place of connection, healing, learning and community. Each of you are part of our family.

We have been renegotiating our lease with our landlord and we were recently notified of a huge rent increase. Sadly, this increase is far beyond what we can manage and we are unable to move forward with our renewal for 2027.

We know this news is a surprise, and we want to share what we can as clearly as possible.

Here are some key points:

1. Ajna Yoga Studio will continue to run all existing classes and workshops as currently scheduled until December 11, 2026 so you have time to use up your current 5 or 10 class passes. Please note that refunds will not be offered on any studio passes.

2. When we re-open in September after our August break, we will lower the drop-in rate, so single drop-in classes will be the same price as our 5 and 10-class passes: \$22 a class.
3. The Yoga Therapy College will continue to run as is, with online training and some hybrid modules for those who would like to attend in person.
4. We will hold a special wrap-up gathering for the community in December before we close.
5. We will share more details as they become available, including new locations to continue practicing yoga with all of us.

Thank you for being on this journey with us, for your support over the years and for helping make Ajna what it is. We hope you will continue to come to the studio and practice with us until we close on December 11, 2026.

Much love, Jules, Michelle and the entire Ajna team
